Att.: Tony

i would like to take this opportunity to thank you for your help at Temple Inland. Your company did a superior job with no notice and over a weekend. We could not have completed the job on time with out the sandblasting and painting you performed for Fairbanks Scales. When we have a need for sandblasting again, Black Gold Services will be the only number we call. Tell all your employees, thanks for there help on our job.

Sincerely,

Dennis Lynch
Fairbanks Scales
